If shareholders collectively holding at least 1% of the voting power transmit their proposal concerning supplementation of the agenda – in conformity to the rules on the necessary depth of detail of the agenda – or a resolution concerning any item on, or to be added to, the agenda within eight days of the publication of this announcement of the convening of the General Meeting, the Board of Directors shall issue a notice on the supplemented agenda and/or the draft resolutions put forth by the shareholders after its receipt of such proposal, in accordance with the rules laid down in Section 8 of the Company's Articles of Association. The item(s) specified in such notice shall be regarded as having been added to the agenda.

Conditions of participation in the General Meeting and exercising the voting rights

The Company requests shareholder identification as at the date of the General Meeting as a corporate event, from KELER Központi Értéktár Zártkörűen Működő Részvénytársaság (hereinafter: *KELER Zrt.*) **The 'as at' date of the shareholder identification is Tuesday, 17 May 2022.** The Rules related to the shareholder identification are included in the effective regulation of KELER Zrt.

On the last but one working day before the General Meeting's starting day, that is, **at 6:00 p.m. on Friday, 20 May 2022** the Company deletes all data (that are effective at the time of shareholder identification) contained in the share register and at the same time it enters the data resulting from shareholder identification in the share register and closes the register with the data produced by shareholder identification. Thereafter, an entry in the Register of Shares concerning the shareholder's share ownership may be made on the business day following the General Meeting the soonest.

Shareholders are advised to, if they intend to participate in the General Meeting, consult their respective securities account keepers regarding the tasks to be carried out and deadlines to be met if they are to be involved in shareholder identification by KELER Zrt. The Company takes no liability for any consequence of any omission on the part of securities account keepers.

The closing of the Register of Shares does not restrain the person registered in the Register of Shares from transferring his/her shares. Transferring his/her shares prior to the General Meeting does not exclude the right of a shareholder registered in the Register of Shares to participate the General Meeting and execute his/her shareholders rights.

The General Meeting may be attended by the shareholder, or a shareholder's proxy as defined in Sections 151-155 of Act CXX of 2001 on the Capital Market (hereinafter: *Capital Market Act*), who – as a result of the shareholders registration – was registered in the share register on the second business day preceding the announced date of the General Meeting, the latest. **Persons whose names are listed in the share register at the time of the closure of the share register, that is at 6:00 p.m. on Friday, 20 May 2022, shall be entitled to exercise the shareholders' rights at the General Meeting.**

The shareholder may also exercise their rights at the General Meeting by way of proxy (hereinafter: 'proxy'). Members or the chairman of the Board of Directors, the Supervisory Board or the auditor may not act as shareholder's proxy. Shareholders may authorise an executive employee of the Company as well to exercise their rights relating to the Shareholders' Meeting. The proxy authorisation shall be valid for one Shareholders' Meeting or for the period of time defined therein, but in any case not more than 12 months. The validity of the proxy shall cover the continuation of the suspended General Meeting or the General Meeting re-convened because of the lack of quorum. The proxy shall be drawn up in the form of a public document or a private document providing full evidence and it shall be submitted to the Company. The authorisation issued by the shareholder's proxy shall state that the representative is acting as shareholder's proxy. A proxy may represent more than one shareholder, but must have a proxy authorisation in the form of a public document or a private document providing full evidence for each shareholder represented.

If the General Meeting is attended by the legal representative of a shareholding entity (e.g. director, managing director), the court or court of registration document certifying the power of representation, either the original or a notarised copy issued not more than 30 days previously, must be presented at the venue of the General Meeting. In order to prove the existence of companies (other entities) registered abroad and the power of representation of the person granting the authorisation, it is essential that the

foreign document is issued by a public registry or certified by a notary. The notarial declaration must, at least, clearly identify the existence of the person giving the authorisation and the signatories who are authorised to sign it.

If any document submitted as proof of the authorisation or the power of representation is not issued in Hungary, the formality of the document must comply with the legislation on the authentication or re-authentication of documents issued abroad. Accordingly, in the absence of a bilateral international agreement to the contrary, (i) diplomatic authentication or certification of the document, or (ii) if the country is party to the relevant international agreement, apostille certification is required. Pursuant to Section 44(7) of Act LXXVIII of 2017 on the Professional Activities of Lawyers, a document countersigned by a lawyer subject to this Act but signed by the parties abroad does not require diplomatic authentication or certification or an Apostille certificate to be fully authentic. Detailed information on the relevant rules is available from the Hungarian diplomatic missions abroad. If the document is not in Hungarian or English, a certified translation of the document in Hungarian is also required.

Each ordinary share of Series A with a nominal value of HUF 1,000 entitles one vote.

In order to ensure the smooth conduct of the General Meeting, the Company requests the Shareholders to inform the Company's Secretariat by e-mail at Tarsasagi.Titkarsag@mkb.hu from the e-mail address provided by the Shareholders' contact e-mail address registered or, failing this, in writing (MKB Bank Plc. - Company Secretariat, 1056 Budapest Váci u. 38. room 317), **by 4 p.m. on Thursday 19 May 2022** at the latest, how they wish to participate in the General Meeting.

Shareholders attending the General Meeting by telecommunication shall be invited by the chairman of the General Meeting to cast their votes after each item on the agenda has been discussed.
